Hi Jane – I cannot go tomorrow because we have a board meeting. You are correct that Diane is attending along with another staff. Les is on vacation. Do you still want to try and touch base before the meeting?

Hi Caren. I just tried to phone and got Nancy Akino's (sp?) voice mail, so decided to send this email instead.

I wanted to touch base about tomorrow afternoon's meeting at NMFS. I know Diane Riddle is going and understand you were invited. I can't make it tomorrow, but Tim Vendlinski and Erin Foresman will be there from EPA Region 9 Water Division, along with Kathleen Johnson and managers and staff from Region 9's NEPA office. If you have time to call before the meeting, you can reach me at the numbers below. I'll be in the office until about 11:45 tomorrow, and have a series of doctor's appointments beginning at 1:00.

Thanks, Jane
